Dear Ms. Durkee:

On December 31, 2002 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your January 15, 2003 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Schedule B of your report (see attached) discloses one or more contributions which appear to exceed the limits established by the Act. The Act precludes an individual or a political committee from making a contribution to a national party committee in excess of \$20,000 per calendar year. (2 U.S.C. §441a(a)) However, a political committee may make unlimited transfers to a national party committee if the transferred amount is determined to be and disclosed as "excess campaign funds". (11 CFR §113.1(c))

The Commission is in receipt of your Amended October Quarterly Report in which you have amended your September 27, 2002 disbursement to the Democratic Congressional Campaign Committee to disclose it as a transfer of excess campaign funds. Please note that the remaining two disbursements need to be addressed as well.

if any apparent excessive contribution in question was incompletely or incorrectly reported, you must amend your original report with the clarifying information.
